Black Youth Transitioning from Care to Community

Are you a Black youth with experience in Children's Aid? Do you want to help other Black youth in Care?

We are seeking 4 Black youth with lived experience in Children's Aid (Care) to take on a leadership roles in developing a program to support other Black youth transitioning from Care to Community.

You will :

- Receive training in an African-centered environment
- Engage in Cultural Activities
- Hear from Guest Speakers with the same experience

Are you a Black youth with experience
