

Town Hall

In the 'year of the gun (2005)' we lost 52 lives to gun violence, by the end of 2016 we may lose even more lives.

The Toronto Youth Equity Strategy (TYES)'s Community Panel & Policy Table, in partnership with the Toronto Youth Cabinet (TYC) invite youth, youth workers and community partners to a Town Hall on what the City of Toronto can do about recent violence in our city.

- What is the City currently doing to prevent and address violence impacting youth?
- What should the City be doing more of?
- What is the City currently not doing, but should be doing?

Monday July 18, 5:30 to 8:00 pm
