REVOLUTION

The revolution will not be televised; it will be shared, posted and tweeted.

FRIDAY JUNE 2ND 2017

WESTSHORE COMMUNITY CENTRE | 1015 BAYLY ST. PICKERING

Dear TYES team We invite you to attend the **ClapBack Revolution**

On June 2nd, 2017, we will be hosting this exciting event to showcase the work of the participants of our Engaging Girls program by Trillium's Youth Opportunities fund, and launch the program's social media initiative.

We will be inviting 50 to 60 girls from the Durham and east Toronto region to attend the event and share ideas that promote the healthy physical and emotional development of girls of color.

This event will also be a platform to share information on anti-oppressive strategies and critical media literacy to combat issues of poor self-esteem and bullying online, and provide space for women in various industries to share messages of empowerment for girls of colour.

We believe it is imperative that we have notable community leaders like yourself at this event, so that young women, especially young women of colour that reside within the Durham Region know that their issues matter and that their voices are being heard. It would be our true honour to have your attendance at this very important event.
