Toronto North

# Improve your English in 8 weeks

## Are you looking for jobs in:

- Architecture/Design
- Information Technology
- Business Administration/Finance

## Our program will:

- 1 Improve your workplace communication
- 2 Help you find a job

Our Canadian Workplace Communication (CWC) evening program improves your sector-specific communication skills and helps you get your dream job.

### You will get access to:

- In-class and online English instruction
- Exclusive internships and job placements
- Job search support from trained professionals
- Professional networks and Canadian mentors
- Direct connections to Canadian employers

This program is available to permanent residents and Convention refugees with intermediate English language skills.

Participants receive a certificate of completion and updated Canadian Language Benchmarks.

Transit tokens are available for eligible participants.

### We also offer:

- Employment counselling individually and in groups
- Resume and interview preparation
- Individual job development support
