

# OHBA Job Ready Program: Level Up

Access valuable hands-on residential construction training through the OHBA Job Ready Level Up Program.

Through this four week intensive in-person program, you'll learn practical construction skills from instructors at the Skilled Trades College of Canada (STC), a licensed private career college.

## Courses include:

- Tools & Measurements
- Framing
- Drywall
- Rough-in Plumbing
- Rough-in Electrical
- Finishing

## Training schedule:

**WEEK 1:** Safety Certifications, Tool Orientation & Framing

**WEEK 2:** Framing, Carpentry & R/I Plumbing

**WEEK 3:** R/I Electrical & Drywall

**WEEK 4:** Drywall, Mudding, Taping & Finishing

## Time:

Monday to Friday from 7:45 AM - 4:00 PM

## Your takeaways will include:

- ✓ Essential skills in home renovations
- ✓ The ability to work safely as an entry-level labourer
- ✓ Hands-on experience and theoretical knowledge
